

Is it your position to  
cause damage to  
the village?

Someone just send  
me a screenshot of  
your Facebook  
post! If it is your  
intent to jeopardize  
target then you are  
succeeding and  
may be causing us  
to loose! You  
should consider

A little over the top  
but I understand  
your anger. All  
taken down and I  
reviewed all my  
accounts to make  
sure there are no  
other unfortunate  
mistakes. But no, I  
don't think I  
should consider

should consider resigning. Can we meet today and talk about this in person please?

I am so angry right now my heads about to pop. Their lawyers will use everything. Remember he case in NJ where the

Remember the case  
in NJ where the  
federal judge ruled  
that comments  
made by a public  
official in a non  
official setting led  
him to decide  
potential prejudice  
even though there  
was no final ruling  
but based on prior

but based on prior witness testimony. We have too much riding on this case for you to jeopardize it. Everything is fair game in the lawsuit. Judge Karas is watching this case...publicly commenting on all male gathering

Karas is watching this case...publicly commenting on all male gathering when it's related to a religious entity, is not good!

I was not thinking. Nothing else in my threads has anything like this. It is done and I will

anything like this.  
It is gone and I will  
try to stay more  
focused going  
forward. It was  
stupid. I've been  
sick all week, the  
medication may  
have clouded my  
judgement. You  
and I need to talk,  
are you around?
